In making application for this Monument Permit I acknowledge that I am aware of and will comply with the following terms:

- Any and all work at the cemetery requires the authorization of the Town, and may only be conducted through licensed firms.
- Monument dimension, composition and placement shall be as set forth by the Manager in the Monument Regulations, a copy of which I have been shown. Fully substantiated and detailed application for deviation from the Monument Regulations may be made to the Manager.
- All monuments shall be placed at the head of the plot or grave on solid ground or, on the continuous concrete base if present, and shall be in a line designated by the Town. No foot markers will be permitted.
- No plot shall be covered by any slab of concrete, stone, or other similar material.
- No monument shall be erected in the cemetery until the design, description and materials composition has been approved by the Town, and a permit on the prescribed form has been issued by the Town. Such structure shall be erected according to the provision of the Cemetery Bylaw and under the direction of the Manager or designate.
- All monuments are subject to inspection by the Manager or designate for compliance with the Cemetery Bylaw and those found in violation thereof may be caused to be removed by the Town. Fees for removal of the monument shall be borne by the owner of the Interment Rights or heir.
- The Town may remove all installations at the cemetery made without authorization by the Town.
