

TOWN OF TABER
Taber's 1st Live Leisure Guide
Vendor Application

Please Coordinate Arrangements through the ACE Coordinator located at the Civic Center (403-223-6013)

The Live Leisure Guide goes hand in hand with the electronic Leisure Guide that the Town of Taber has been publishing for over a decade. It is aiming to give an opportunity to our local businesses / clubs/ sports teams in Town and surrounding areas to promote themselves for free to the Town of Taber residents.

The aim is to have any/all groups that any person of any age could either participate in or volunteer with.

Complete and return Live Leisure Guide Vendor Application form to the Town of Taber Aquafun Centre (pool) or ACE Coordinator no later than December 20th.
