

Dear Food Truck Applicant,

Thank you for your interest in participating in the 2022 Town of Taber Alberta Approved Farmers' Market. The season is set to begin on June 16th and conclude on September 15th.

We do understand that there will be continual changes in the COVID-19 restrictions as we move forward this year. And we will stay in touch regarding any changes that may need to be made to the markets.

We have put together some recommendations that will help you to arrange your space in a way that keeps you and shoppers' safe in regards to COVID-19. It is important to remember that your stall is considered its own place of business; comparable to retail outlets in a shopping center. Any business that is open to the public during the COVID-19 pandemic is legally obligated to put measures in place that prevent the spread of infection amongst staff, volunteers, and customers. We ask that you review the intended operation of your stall and take steps to protect both workers and customers. These steps may include:

- Performing frequent hand hygiene
- Creating barriers between clients and workers
- Eliminating food sampling
- Preventing customers from gathering
- Minimizing the handling of money
- Sanitizing electronic keypads after each use
- Wearing appropriate personal protective equipment (PPE), such as masks and/or gloves

We look forward to a fun, safe and successful market this year. If you have any questions at all, please do not hesitate to contact me. See you there!

Sincerely,

Emily Hembrough
