Collection Information

Spring & Fall Tree Chipper/Leaf Program

The Town will still be offering the Spring and Fall Tree Chipping program, this is **NOT** an alley clean up. We will be in each area to pick up Tree trimming branches and leaves which can be left in containers or paper bags either in the alley, or if you have no alley then at the Front of your property. Do not block traffic. You have the full week as designated by the calendar to set yard waste out & we will collect it the following week, do not leave appliances or furniture. Year Round you can take yard trimmings to one of our compost drop-off locations. (North side 80 Ave east of Turkey plant, or at the Transfer Station.)
