

Radar Speed Sign

Policy No.: PS-PW-3	Council Resolution No.: 214/2019
Department: Engineering & Public Works	Authority: Council
Effective Date: May 13, 2019	Revision Date:
Review Date: May 13, 2022	Repealed Date:
Supersedes: N/A	
Related Procedure No.: PS-PW-3	
Related Procedure Name: Radar Speed Sign	

Purpose

The Municipality has acquired a portable radar speed sign to enhance the Town's public safety by providing another level of public education to citizens regarding speed limits within the Town.

Policy Statement

- 1) Radar speed signs are active speed signs, showing drivers their speed while on roads throughout the community. These interactive signs show and deliver a message to drivers if they are speeding or following the posted speed limits. The signs collect daily data allowing for analysis and research for further use. The signs are not automated traffic enforcement (photo radar) signs.
- 2) The sign will not be a permanent installation; it will be a portable unit placed throughout the Town on a rotating basis, allowing for as much data feedback as possible.
- 3) Management of the Radar Speed Sign will occur within the Traffic Committee with involvement from the Public Works Department.
- 4) This Policy will Work in effect with the Town of Taber Traffic Bylaw and the Traffic Safety Act.
- 5) Administration shall develop a procedure for this policy and shall be responsible to ensure that the spirit and intent of the policy is adhered to.
